"Fix Your Eyes on JESUS"

Therefore, since we are surrounded by so great a cloud of witnesses, let us also lay aside every weight, and sin which clings so closely, and let us run with endurance the race that is set before us, looking to Jesus, the founder and perfecter of our faith, who for the joy that was set before him endured the cross, despising the shame, and is seated at the right hand of the throne of God " *Hebrews 12:1-2*

Iowa Lutheran School Tuition

This year over \$30,000 in tuition assistance was awarded to Clarinda Lutheran School students through the Iowa Lutheran School Tuition Organization (ILSTO). Over \$467,000 was awarded to Lutheran students in Iowa. We would like to double those amounts for 2021-2022. We are currently at 15% of our 2020 goal. Now is the time to contribute for the next school year so we can continue this great program. The benefits you receive are two-fold: 1) You get to see more children experiencing the love of God every day, and 2) You will receive a 65% tax credit on your Iowa state income taxes and a charitable deduction on your Federal return. At this time \$18,000 has been designated for Clarinda Lutheran School. For further information, please contact Dewey Torkelson at 712-260-2991. You can download a donor form at www.iowalutheransto.org

USDA extends free school meal program till December

The US Department of Agriculture is extending a free school meal program to millions of children.

In the past, this program was only offered during summer months when school is not in session.

Due to the pandemic, the USDA launched the new school lunch program in March at 80,000 sites nationwide. Until this week, the program was supposed to expire in September when children were expected to return to school. It has now been extended until the end of year.

Student lunches are free. There will be a charge for any extra milk or milk that a student takes to go with their home lunch. There is still a charge for Adult lunches.
