## **Classroom News:**

### **Kindergarten by Addy Miller:**

We just started learning about take away in math. We are learning about the letters Bb & Cc. In Jesus Time we learned about how the walls of Jericho came tumbling down. This week we got to meet Elma and play soccer and other games with him. He was good and funny.

### **2nd Grade by Parker Lijedahl:**

In Science we started a new mystery. Last week we had a special guest. We go a new playground. We need to bundle up because it is getting chilly.

### **CLS Class of 2020**

Does anyone have a picture of the CLS Class of 2020? This was the year that COVID hit and we didn't get to take as many school pictures as we do in a normal school year. There is a picture of each of the CLS Graduating Classes in the principal's office and the only one we are missing is from the Class of 2020 (Lillian McCormick, Aly Meier, Brooke Meyer, Bailey Nordyke, Emma Stogdill & Kenton Taylor). If anyone has a photo they could send to Mrs. Marcum that would be appreciated. It can be a casual shot or one from their graduation. Thank you for your assistance.

Please consider a donation at this time. 75% is Iowa's largest tax credit! If you know of any other people who could take advantage of Iowa tax credits, please help spread the word.
