"Fix Your Eyes on JESUS"

Therefore, since we are surrounded by so great a cloud of witnesses, let us also lay aside every weight, and sin which clings so closely, and let us run with endurance the race that is set before us, looking to Jesus, the founder and perfecter of our faith, who for the joy that was set before him endured the cross, despising the shame, and is seated at the right hand of the throne of God " *Hebrews 12:1-2*

Summer Reading Program

CPH Reads is a summer reading program that's all about Jesus. It encourages kids to read all summer long, so they build vocabulary and comprehension skills while learning more about their Savior! It also encourages parents to be involved in their children's spiritual life.

CPH Reads runs from June 1 through August 13, 2021. Any book children read will earn them points, and if they log 1,000 points by August 13, they'll be entered in for a chance to win awesome prizes. More on page 2...

Classroom News:

Grade 1 & 2 by Claire Jensen:

We have been doing Science a lot. Science is fun but we have been seeing what things can do with air. We are doing a lot with weather. We did a *Mystery Doug* a little while and we were seeing what was stronger, a hurricane or tornado and tornados were the worse ones.

Grade 3 & 4 by Dominic Gruber & Katy Miller:

Last week we were doing a review test in Math. We also had a test in Science. This spring we are going to eat pizza with NSK and AKS outside. We had an Easter break in March that was a good break from school. We are doing an art project that is cool! We are doing a Matisse fish bowl painting. In Religion we are studying about Gideon. The 4th grade is studying about explorers in Reading. 3rd & 4th students helped with the Kindergarten Visitation Day. 4th is starting to do our writing assignment in cursive!
